

Cisco Webex Board 85S

! To prevent personal injury and damage to the equipment, make sure you prevent the screen from tipping over, even though it is in its transportation frame.

- FR** Pour éviter tout dommage matériel ou blessure, assurez vous que l'écran ne bascule pas, même si il est dans son cadre de transport.
- ES** Para evitar accidentes personales y daños al equipo, asegúrese de evitar que la pantalla se vuelque, incluso estando en su marco de transporte.
- PT** Para evitar ferimentos pessoais e danos ao equipamento, certifique-se que a tela não cairá, mesmo que esteja em sua estrutura de transporte.
- IT** Per evitare lesioni personali e danni all'apparecchiatura, assicurarsi di evitare che lo schermo si ribalti anche se si trova nel telaio di trasporto.
- DE** Um ernsthafte Schäden an Personen und Ausrüstung zu vermeiden, sollten Sie sicherstellen, dass das Gerät nicht umkippt, selbst wenn es sich im Transportrahmen befindet.
