CISCO

End-of-Sale and End-of-Life Announcement for the Cisco CloudCenter

Contents

Overview

EOL13631 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco CloudCenter. The last day to order the affected product(s) is May 7, 2021. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

There is no replacement available for Cisco CloudCenter and its modules at this time. However, current CloudCenter and CloudCenter Suite use cases and capabilities are being evaluated and developed for Cisco Intersight [DC-MGT-SAAS]. Customer are welcome to evaluate Cisco Intersight as these features become available.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco CloudCenter

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	November 6, 2020
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	May 7, 2021
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	August 5, 2021
End of SW Maintenance Releases Date: App SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	May 7, 2022
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	May 7, 2022
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	August 3, 2023
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	May 31, 2024

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product migration options

There is no replacement available for the Cisco CloudCenter at this time.

Current CloudCenter and CloudCenter Suite use cases and capabilities are being evaluated and developed for Cisco Intersight [DC-MGT-SAAS]. Customers are welcome to evaluate Cisco Intersight as these features become available.

Service prices for Cisco products are subject to change after the product End-of-Sale date.
