Overview

EOL14911 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Select Cisco 800BB Products. The last day to order the affected product(s) is November 21, 2023. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

End-of-life milestones

Table 1. End-of-life milestones and dates for the Cisco Select Cisco 800BB Products

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	November 21, 2022
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	November 21, 2023
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	February 20, 2024
End of SW Maintenance Releases Date: HW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	November 20, 2024
End of Vulnerability/Security Support: HW	The last date that Cisco Engineering may release a planned maintenance release or scheduled software remedy for a security vulnerability issue.	November 30, 2028
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	November 20, 2024
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	November 20, 2024
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	February 19, 2028
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	November 30, 2028

HW = Hardware

OS SW = Operating System Software

App. SW = Application Software

Product part numbers

Table 2. Product part numbers affected by this announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
3G4G-CAB-USB-RSVD	3G & 4G USB diagnostic cable accessory	There is currently no replacement product available for this product.	-	-
3G4G-CAB-USB-RSVD=	3G & 4G USB diagnostic cable accessory	There is currently no replacement product available for this product.	-	-
800 POWER CABLES	Power Cables	There is currently no replacement product available for this product.	-	-
800 RACKMOUNT KIT	RACKMOUNT KIT OPTONS	There is currently no replacement product available for this product.	-	-
800-IL-PM-2	2 Port 802.3af compatible pwr module for 800 Series	There is currently no replacement product available for this product.	-	-
800-IL-PM-2=	2 Port 802.3af compatible pwr module for 800 Series	There is currently no replacement product available for this product.	-	-
800-IL-PM-4	4 Port 802.3af capable pwr module for 890 Series Router	There is currently no replacement product available for this product.	-	-
800-IL-PM-4=	4 Port 802.3af capable pwr module for 890 Series Router	There is currently no replacement product available for this product.	-	-
800G2-POE-2	2 Port PoE Module for 880 Series Router	There is currently no replacement product available for this product.	-	-
800G2-POE-2=	2 Port 802.3af compatible PoE module for 880 Series	There is currently no replacement product available for this product.	-	-

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
ACC-800-CLIP=	800 cable clip in bundle of 25	There is currently no replacement product available for this product.	-	-
ACS-800M-RM-19	Cisco 800M Router Rackmount Wallmount Kit	There is currently no replacement product available for this product.	-	-
ACS-800M-RM-19=	Cisco 800M Router Rackmount Wallmount Kit SPARE	There is currently no replacement product available for this product.	-	-
ACS-810-DM	810 Din Rail Mounting Kit	There is currently no replacement product available for this product.	-	-
ACS-810-DM=	810 Din Rail Mounting Kit	There is currently no replacement product available for this product.	-	-
ACS-810-FWM	810 Floor/Wall Mounting Kit	There is currently no replacement product available for this product.	-	-
ACS-810-FWM=	810 Floor/Wall Mounting Kit	There is currently no replacement product available for this product.	-	-
ACS-890-RM-19	Rackmount kit for 890	There is currently no replacement product available for this product.	-	-
ACS-890-RM-19=	Rackmount kit for 890	There is currently no replacement product available for this product.	-	-

Product migration options

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Select Cisco 800BB Products through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <https://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.

For more information

For more information about the Cisco End-of-Life Policy, go to: <https://www.cisco.com/c/en/us/products/eos-eol-policy.html>.

For more information about the Cisco Product Warranties, go to: <https://www.cisco.com/c/en/us/products/warranty-listing.html>.

To subscribe to receive end-of-life/end-of-sale information, go to: <https://cway.cisco.com/mynotifications>.
