[Track the CDETS Number](#)

Introduction

This document describes how to track the Cisco Defect and Enhancement Tracking System (CDETS) number given by Customer Support Engineers (CSEs).

Track the CDETS Number

Step 1. Navigate to **Cisco.com > Support > Tools > Bug Search Tool** as shown in these images:

Tools

Bug Search Tool

Find software bugs based on product, release and keyword

Register & Manage Software Licenses

Product License Registration Tool

Software Research

View Cisco suggestions for supported products

Collaboration Solutions Analyzer Beta

Analyzes Expressway and other Collaboration portfolio products logs

Cisco CLI Analyzer Beta

SSH client to troubleshoot and check the overall health of your ASA and IOS based devices
